## March 2006

Dear Dancers

As a Dance Club we have decided to produce a quarterly newsletter to keep you updated with what's happening with dance within the Cardiff area and future events.

After our first successful dance at the Electricity Club on Saturday 18<sup>th</sup> March we received a lot of positive feedback. We found that people who danced LeRoc Modern Jive enjoyed watching the Ballroom & Latin Dancers and visa versa. This goes to show that many dance styles can be intermingled within one evening of dance to make it an enjoyable event for everyone. We do appreciate any comments you may have to make and any suggestions for future events.
